

TELL US MORE ABOUT YOUR COINS & MEDALS!

We are pleased to help you with the estimate and sale of your coins, medals or bank notes collection. It would be very expedient, though, if you tried to get and communicate an idea regarding a few features of your collection before you get in touch with us. Accordingly, please fill in our questionnaire as precisely as you can.

1. Do you have a table of contents, an inventory or something similar?

If yes, please enclose copies directly to this form.

Yes

No

2. Which metal are the coins or medals mostly made of?

For gold and silver coins please indicate the approximate weight.

3. How many gold coins or medals, how many silver coins or medals, and how many coins and medals made of base metals do you have in your collection?

4. Have the coins been circulating or are they unused?

rather circulated

rather unused

5. Which time periods, countries or topics have been collected?

e.g. ancient, modern times, Europe, Olympic Games etc.

6. How many volumes does the collection comprehend?

How many albums, cartons, boxes etc.

7. Do you have certificates or public documents related to your coins or medals?

If yes, please enclose copies directly to this form.

8. Where or how were the coins or medals obtained?

Trade, auction sales, exchanges, bank, inheritance etc.

9. How much was invested (approximately) in the collection? Are there still any invoices?

If yes, please enclose copies directly to this form.

10. Do you know the catalogue and / or estimated commercial value?

If yes, please state it in EUR / CHF / USD or GBP.

11. How would you rate the value of the collection yourself?
